Content of the project

The „Alles aus einer Hand“ project offers you an individual and diverse range of support during your integration into the labor market and into the German society.

We will support you in the following key areas:

- Socio-educational help and advice for external offers
- Remedial teaching in German
- Networking with employers and integration into the job
- Computer-Course for migrants
- Vocational orientation and preparation for job training or employment
- Introduction to the labor market
- Assistance in inclusion into a job that is subject to compulsory insurance
- Assistance in finding an internship
- Project approaches: Warehouse/Logistics/Transport/Trading/Delivery
Hotel/Gastronomy/Housekeeping/Nutrition
Hairdressing trade
Vocational orientation in nursing care
Creative workshop
Digitalization – Opportunities and implementation in different professional fields

**Do you want to find out more about the project?
Talk to your personal integration specialist in the Jobcenter.**

Jobcenter Gießen

Lahnstraße 59
35398 Gießen

Telephone: 0641 48016-0

The Jobcenter Gießen is a joint facility of the Gießen Employment Agency and the administrative district of Gießen and is responsible for supporting the recipients of Arbeitslosengeld II (unemployment benefit) in the city and the administrative district of Gießen. We are aware of our social responsibility and see ourselves as a social service provider in the city and the administrative district of Gießen. Service orientation and customer-friendly service are principles of our action. We take people's concerns seriously.
